PREFACE

Coir Board has invigorated many Schemes aimed at ameliorating the physical and economic conditions of the Coir worker who is at most times an entrepreneur at the lowest strata of the Coir manufacturing pyramid. These Schemes are aimed to pep his/her ability to perform and increase his/her productivity, so as to raise his/her standard of living.

The flag-ship Scheme of the Coir Board, namely, the [Rejuvenation, Modernization and Technology Upgradation of the Coir Industry](#) which has been approved in the XI Plan, by the Government of India, is ready for implementation.

An [Operational Guidelines](#) has been prepared highlighting the modalities of operations and prescribing the conditions to be adhered to by the beneficiaries who opt for the Scheme.

I have great pleasure to place in your hands a copy of the [Operational Guidelines of the "Rejuvenation, Modernization and Technology Up-gradation of the Coir Industry"](#).

I wish all of you the very best.

A C JOSE
CHAIRMAN, COIR BOARD
